our universe

Ideally located a stone's throw from the Medina of Chefchaouen, Triana has established itself, since its opening, as an unmissable address, a truly warm and intimate haven.

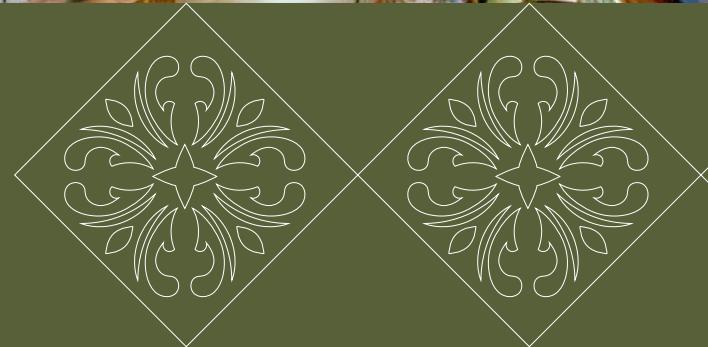

Inspired by both shores of the Mediterranean, our restaurant is named after Seville's most famous shopping district.

At Triana, you can eat to the sound of guitars inside or on the magnificent panoramic terrace overlooking both the Ras El Ma river and the sentinel mountains of Chefchaouen.
